Any service failure from or to Canada zips named here in due to shipment(s) being delayed by Customs or other government agencies, Carrier shall remove all charges for guaranteed service from customers invoice and apply otherwise applicable LTL charges. Normal LTL charges that are otherwise applicable will not be waived on shipment conditions noted herein.

If Carrier inadvertently accepts shipments subject to the restrictions noted herein and a service failure occurs, Carrier shall remove all charges for guaranteed service from customers invoice and apply otherwise applicable LTL charges. Normal LTL charges that are otherwise applicable will not be waived on shipment conditions noted herein.

ITEM 170 — RESTRICTED SERVICES

Speed Service Guaranteed will **NOT** apply on shipments requiring the following services:

1. Carrier is not responsible for delays in service due to the final consignee's request for appointments, notifications, or other delays imposed on the delivering carrier.
2. In Bond shipments.
3. Pick up and/or delivery points subject to Remote Access Charges as named in Items 751, 751-5, 751-10 or 751-15 when Speed Service Guarantee by Noon is required.
4. Pick-up or Delivery at Exposition Centers or Trade Shows requiring Service Guarantee by Noon.

ITEM 175 — FORCE MAJEURE

Speed Service Guaranteed described in this tariff will become void when conditions beyond carriers control and without its fault or negligence arise, including, without limiting and generality of the foregoing; acts of God or the public enemy, fire or explosion, flood, actions of the elements, war, riots, embargoes, quarantine, strikes, lockouts, disputes with workmen or other labor disturbances, acts or requests of any governmental authority, data communication or hardware failure beyond carriers control, or any cause beyond its control, whether or not similar to the foregoing. Carrier may at its sole discretion notify customer that due to operational issues, timing, or other circumstances beyond its control that a pickup is being declined because carrier is unable to protect the service schedule.

ITEM 500 — SERVICE GUARANTEES (SEE ITEM 510)

The service standards, in transit days, as shown in Item 600 will be guaranteed for delivery by 5:00 PM local time upon request by the consignor, consignee or payor (third party billing shipments) subject to the charges, rules and restrictions contained in this tariff. The party desiring Speed Service Guaranteed may request such service in any of the following ways:

1. Calling ODFL at 1-800-432-6335 or 1-800-235-5569 (option 3) (option 1)
2. Calling the Local ODFL terminal
3. Notifying the ODFL Driver at time of pickup. If this method is used driver will apply a unique pro number to the bill of lading and consignor must initial the sticker on the bill of lading indicating that Speed Service Guaranteed is requested.

It will be the requesting party's responsibility to ensure the carrier's copy of the Bill of Lading is notated with a request for "GUARANTEED" service.

ITEM 501 — SERVICE GUARANTEES — BY NOON (SEE ITEM 515)

The service standards, in transit days, as shown in Item 600 will be GUARANTEED for delivery by 12:00 pm local time upon request by the consignor, consignee or payor (third party billing shipments) subject to the charges, rules and restrictions contained in this tariff. The party desiring Speed Service Guaranteed may request such service in any of the following ways:

1. Calling ODFL at 1-800-432-6335 or 1-800-235-5569 (option 3) (option 1)
2. Calling the Local ODFL terminal
3. Notifying the ODFL Driver at time of pickup. If this method is used driver will apply a unique pro number to the bill of lading and consignor must initial the sticker on the bill of lading indicating that Speed Service Guaranteed is requested.

It will be the requesting party's responsibility to ensure the carrier's copy of the Bill of Lading is notated with verbiage indicating a request to deliver by noon.

ITEM 510 — DISCOUNTS AND MINIMUM CHARGES — SERVICE GUARANTEES

1. Shipments moving under the provisions of this tariff will be subject to a surcharge of twenty-five percent (25%) applied to the otherwise applicable LTL net revenue or twenty-five percent (25%) applied to the otherwise applicable Minimum Charge Floor, subject to a minimum surcharge of **$70.00** per shipment, except when from or to Canada zip codes named in Item 165 which shall be not less than an additional **$80.00,** as follows:

    a. LTL and TL
        i. Individual pricing established for the payor of freight charges will be applied to determine the otherwise applicable net revenue. This net revenue will then be subject to a surcharge of twenty-five percent (25%) but not less than an additional **$70.00,** except when from or to Canada zip codes named in Item 165 which shall be not less than an additional **$80.00.**
        ii. When the payor has Contract Pricing established with ODFL and Speed Service Guaranteed is requested by an authorized representative of the payor, this will be considered a one-time amendment or addendum to the Contract and a twenty-five percent (25%) surcharge will be applied to the otherwise applicable Contract Pricing, but not less than an additional **$70.00,** except when from or to Canada zip codes named in Item 165 which shall be not less than an additional **$80.00.**
        iii. When ODFL 698 series, Security Divider Service, or ODFL 699 series, Spot Market Pricing, is applicable, the net revenue will be subject to a surcharge of fifteen percent (15%), but not less than **$70.00,** except when from or to Canadian zip codes named in Item 165, which shall be subject to a surcharge of not less than **$80.00.**
        iv. In the absence of individual pricing or Contract Pricing established for the payor of freight charges, the default discount of 68% published in ODFL Tariff 602 series will apply. The net revenue thus determined will be subject to a surcharge of twenty-five percent (25%), but not less than an additional **$70.00,** except when from or to Canada zip codes named in Item 165 which shall be not less than an additional **$80.00.**

    b. Minimum Charges: The Minimum Charge Floor established for the payor will apply and will be subject to a surcharge of twenty-five percent (25%) but not less than an additional **$70.00,** except when from or to zips in Canada named in item 165 which shall be not less than an additional **$80.00.**

    *For Example: If the Minimum Charge Floor established for the payor is **$80.00** it will be increased by twenty-five percent (25%), but not less than an additional **$70.00**, to a total of **$150.00.***

2. Speed Service Guaranteed upcharge will be included in the linehaul calculation and shall be subject to fuel surcharges.

ITEM 515 — DISCOUNTS AND MINIMUM CHARGES — SERVICE GUARANTEES BY NOON

1. Service Guarantees by Noon is only available when delivery point is 30 miles or less from delivering terminal.

2. Shipments moving under the provisions of this tariff will be subject to a surcharge of thirty percent (30%) applied to the otherwise applicable LTL net revenue or thirty percent (30%) applied to the otherwise applicable Minimum Charge Floor, but not less than **$350.00** per shipment (including Fuel Surcharge).

    a. LTL and TL
        i. Individual pricing established for the payor of freight charges will be applied to determine the otherwise applicable net revenue. This net revenue will then be subject to a surcharge of thirty (30%) but not less than **$350.00** per shipment (including Fuel Surcharge).
        ii. When the payor has Contract Pricing established with ODFL and Speed Service Guaranteed is requested by an authorized representative of the payor, this will be considered a one-time amendment or addendum to the Contract and a thirty percent (30%) surcharge will be applied to the otherwise applicable Contract Pricing but not less than **$350.00** per shipment (including Fuel Surcharge).
        iii. When ODFL 699 series, Spot Market Pricing, is applicable, the net revenue will be subject to a surcharge of twenty percent (20%), but not less than **$350.00** per shipment (including Fuel Surcharge).
        iv. In the absence of individual pricing or Contract pricing established for the payor of freight charges, the default discount of 68% published in ODFL Tariff 602 series will apply. The net revenue thus determined will be subject to a surcharge of thirty percent (30%) but not less than **$350.00** per shipment (including Fuel Surcharge).

    b. Minimum Charges: The Minimum Charge Floor established for the payor will be not less than **$350.00** per shipment (including Fuel Surcharge).

3. Speed Service Guaranteed by Noon upcharge will be included in the linehaul calculation and shall be subject to fuel surcharges.

ITEM 520 — ADJUSTMENT OF FREIGHT CHARGES FOR SERVICE FAILURE

If customer makes a written claim to ODFL within 30 days of delivery for a failure to perform the above-mentioned services, on the committed day, ODFL will revert applicable Speed Service charges to the payor's non-Speed Service published rates. If the Speed Service charges have been paid, a refund will be issued for the difference to the claimant.

If failure is due to conditions outlined in Item 175, force majeure, no refund or reduction shall apply.

ITEM 564 — FAILURE TO MAKE TIMELY PAYMENT OF CHARGES

Failure to make payment of charges for services performed hereunder within a period of 42 calendar days from the original invoice due date will result in penalties and charges provided in Item 564 of ODFL Rules Tariff 100 series.

ITEM 600 — GUARANTEED SERVICE STANDARDS

When Guaranteed Service is requested under the provision of this Tariff, the Service Standard that ODFL is guaranteeing is the service standard published on our website on the day of shipment.
